

To Whom It May Concern,

We are pleased to recommend Ms. Lal Derin Gurgenc for her exceptional work for MSA, the Culinary Arts Academy starting December 2024.

Ms. Gurgenc has been an invaluable creative force in designing the monthly workshop themes for MSA. Her artistic vision, attention to detail, and ability to translate complex concepts into visually striking illustrations have greatly enhanced our branding and communication.

She consistently met all deadlines, approached all feedback with professionalism, and was always open to discussions to refine her work. Her creativity, adaptability, and collaborative spirit made the entire process seamless and enjoyable.

It was a pleasure working with her, and I have no doubt she will bring the same dedication and talent to any future projects.

Best Regards,
